SENATE BILL

No. 1008

Introduced by Senator Florez

February 22, 2005

An act to add Section 52616.25 to the Education Code, relating to adult education.

LEGISLATIVE COUNSEL'S DIGEST

SB 1008, as amended, Florez. Adult education.

Existing law provides for the method of funding school districts that operate adult education programs and claim adult education state apportionments, based on the district's adult education average daily attendance.

This bill would authorize school districts offering adult education to claim those hours spent ~~with students in~~ providing counseling, guidance, testing, and assessment services *to students who are enrolled in an adult education program* towards their average daily attendance apportionments. The bill would limit those claims to a maximum of 5% of the district's total adult education entitlement.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
